BUILDING STYLES

Standard features for all buildings:

- 29ga steel for the roof, sides and trim
- 2x4 studs (16" on center)
- OSB backer on the wall studs
- building wrap over the OSB
- treated wood 4x4 runners
- treated wood 2x6 floor joists
- PerformMAX flooring (25 year guarantee!)

SHEDS and BARNs

Our shed and barn styles have 24" on center floor joists and are perfect for storing things like:

- mowers
- lawn and garden tools and equipment
- deck or patio furniture
- bicycles or kids' toys
- storage boxes or totes
- camping or outdoor gear
- sports equipment
- and more!

They are also great for workshops, "man caves," "she-sheds," concession stands, art or photography studios, or whatever your imagination suggests.

HORSE RUN-INS

Perfect for making your horses and other livestock more comfortable no matter the season or weather! Every Run-In is built with a 2' overhang in front and includes roof insulation to keep the temperature 10-15° cooler in the summer and help prevent moisture issues. We have lots of ways for you to customize yours to meet your needs and those of your animals, including tack or feed rooms from 4 to 12 feet wide, front walls, stall walls, gates, wood or metal sliding doors and more. Available as small as 8'x12' or as large as 12'x40'!
